

Gift Card: Conditions of Use

Brooknit Bonneterie LLC | 195 Plymouth St, Brooklyn, NY 11201 | United States of America

1. What it is.

A Brooknit Bonneterie gift card can be used toward kits, yarn, accessories and digital patterns on www.brooknit-bonneterie.com. It cannot be used for classes, workshops, services or events.

2. Value.

The card is worth the amount paid for it. It is not a credit card or a bank product, and it earns no interest.

3. How to redeem.

Enter the gift card code at checkout. The balance is applied to your order, and any remaining amount can be paid with another payment method.

4. Balance.

Any unused balance stays on the card for future orders. Email julie@brooknit-bonneterie.com to check a balance.

5. Expiration.

This gift card is valid for 7 years from the date of purchase.

6. No cash value.

Gift cards cannot be exchanged for cash, except where required by law.

7. Lost or stolen cards.

Treat the code like cash. Brooknit Bonneterie is not responsible for lost, stolen, copied or misused codes. If you have the order confirmation, contact us and we will do our best to help.

8. Returns.

If you return an item bought with a gift card, the refund goes back to the card as store credit, not to cash. A gift card itself cannot be returned or refunded once purchased.

9. Not for resale.

Gift cards may not be resold or used for promotional purposes, such as contests or sweepstakes, without our written permission.

10. Questions.
